Hang a tire swing from the old oak tree  
Wire up 5 sets of Realistic Optimus speakers with torn and stained grill cloth from Goodwill  
Strip the insulation and put an electrified fence around Speakerman's garage  
Call yourself ChrisVdh and post the latest flavor recipe on the Cable Asylum  
Re-create the Saddam execution  
Build an antenna array to receive ET-MTV from Alpha Centauri  
create an Eruv  
<http://chayyeisarah.blogspot.com/2005/12/appreciation-wednesday-carrying-load.html> around your neighborhood
