Subject: Pi 7 crossover Posted by SamL on Sat, 12 Jan 2008 05:47:51 GMT View Forum Message <> Reply to Message

Hi Wayne,Is Pi7 crossover using the same Pseudo First-Order filter on JBL 2226 like Pi4? What is the crossover point for the 3 way?Also, can I do a direct replacement on the tweeter with B&C DE250. I saw a few post over here about DE250 but not much been said about crossover.Thanks,Sam
