I had a chance to see Lavay Smith and the Red Hot Skillet Lickersat a theatre near here. From the posts below saying that a lotof the female singers today sound alike, I'd have to put LavaySmith and the band in a class by themselves. It's rare that the band with a singer such as Smith has theclout that they did as soloists. I will not say they workedas an ensemble with the singer as 'another voice' since Lavay Smith is the star of the show. But the band showed itschops and that was a major part of the enjoyment of the event. Have any of the readers here "met Miss Thing"?:-)
