Hi Wayne,Long time no post! Hope your doing well.Question for ya: I've had a pair of Alpha 10's sitting in their original packaging for some time and want to go ahead with a 2 Pi build. I plan to order the Vifa tweeter upgrades soon, but was wondering if I could also order the inducters for the 10's. I don't see a way to order them from the shopping site. Is there a way I can get them from you?Thanks in advance,Jeff
