Here's a movie I bet none of youse seen:Yeah, it's a musical about a sweet east german quickie army bride, botched sex change, neo-transexual, glam raunch rock n roll queen extrodinaire oddity. His name Hedwig. His band, "the angry inch". Great movie on many levels, not the least of which has some of the best hard,(as hard as one inch'll give you), rock&roll ever put to screen. Honest! Trying to find the soundtrack, the opening song is pure power packed pyrotechnics.
