Thank you very much for your advice!As i understand you are not a friend of the alpha10/econowave combo.I think the 3pi (with the delta 12lf)would be a good choice for me.-Can i go with the puplished econowave crossover?<http://audiokarma.org/forums/attachment.php?attachmentid=90113&d=1210028233>
-Can you send me the 3pi plan?Best regardsFrank
