Thought you might enjoy this quote from Frida - "I drank to drown my pain, but the damned pain learned how to swim, and now I am overwhelmed by this decent and good behavior." and just before she died, "I hope the leaving is joyful and I hope never to return". Another interesting fact, when mourners gathered to watch her cremation, Frida gave her fans one last frightening goodbye. As the cries of her admirers filled the room, the sudden blast of heat from the open incinerator doors blew her body bolt upright. Her hair, now on fire from the flames, blazed around her head like a halo. Frida's lips appeared to break into a seductive grin just as the doors closed shut. And on that note...
