Subject: Omega 15 alternatives? Posted by reguax on Thu, 11 Dec 2008 16:52:11 GMT View Forum Message <> Reply to Message

Hi everyoneOmega 15 is out of stock at my local dealer (I'm not in USA)KAPPA PRO 15 ALF2 seems to be a good replacementHas anyone tried it?Will it work in a 4Pi cabinet?I've seen posts about it, but they are very old, so I'm asking again in case someone has any news Thanks in advance!
