I haven't followed these matters closely so I can't say for sure. It appears to me that media from both sides tend to be too propogandized, so I don't believe either one. It's kind of like how half the world denounced the Bush/Gore election and the other half believed it was fair.Besides, I hear most people did a write-in vote for Yakov Smirnoff, who was born in Odessa, Ukraine. I think the election was his and there was a conspiracy to cover it up.Yakov Smirnoff
