Subject: Gospel according to the Maninblack Posted by Damir on Sun, 14 Aug 2005 17:45:49 GMT View Forum Message <> Reply to Message

The history of secret societies, freemasonry, occult, Gnostic, Satanic, etc. "movements" is more or less known. Their "work" from French Revolution to WW2 and today, their symbols, ways to "illuminate" people, their propaganda, lies, "secret & sacred" books are not just ridiculous, but boring.
