Well, if you decide to go to Texas, be sure and stop by if Ohio is on your way. Also, when you get to Tx, be very careful where you park (see link).....ColinPS, I almost forgot to mention that Cindy has refused to pay taxes, but has set up a 5013c tax shelter. And, she has already met the President and said the meeting went well. Oh yeah, why's Michael Moore hanging with her these days. I'm thinking new movie.
