well personally, does it make a difference to me, Compared to most youngins..because i have christian values, and it says thou shalt not steal attempt to follow that. Logical enuf to me!, + treat others as ud have them treat you! I really do like some of the 60s music ive heard. i grew up listening to phil collins, beatles, tracy chapman , etc. Also in one of my games, theres alot of 60s music, its real fun :-)
