I'm looking forward to seeing you here, Shane! The dates for Great Plains Audiofest 2006 are May 5th, 6th and 7th. More information is available on the website, so click the link.The GPAF rate is already discounted at the Embassy Suites. But there are other hotels nearby that are less expensive. If you plan to display your equipment, then you'll definitely want to get a room at Embassy Suites. But if not, you could always get a nearby hotel and just come visit the show. There is no entry fee for attendees or exhibitors.
