Damir; you have been exposed to the ravages of uncontrolled power where you live. We here are naive in the understanding of how unbridled power corrupts and how the only thing seperating us from the bad guys is not the President; it's a free and open press. Thanks for taking on this task; Mr. Vynil has disappointed me since he disappeared after Tom Delay was indicted and now looks like he may be prosecuted. Those hard core reactionary neo-cons hate like poison to be proved wrong.
