Yeah, I guess everyone is busy with other stuff. It does seem kinda slow. Fitzmaurices' forum is

rates, but the others seem slower than normal.What's going on with you these days? I'm busy, busy, busy. New work on several speaker projects. So I'm making posts here and there about progress when I have something to report. Otherwise, I'm behind the scenes. Lots of exciting things going on, to tell the truth.
