For the, what?, Fifth time. I never said Delay was innocent or guilty. Please show me where I said that? I'll say it again. "if" Delay is guilty, good riddance to bad trash. That said he still has not be found guilty of anything. He stepped down so the Republicans could keep the seat. That's all. We'll see how it pans out. This is the Democrats at their best. Can't beat the Republicans at the voting both with their ideas so they rely on personal attacks and destroying their opponents. Pretty sad. This is why they can't win an election as of late. As far as the rest of your post. It's like the beginning. Pure fantasy. Over and out.
