I'm wondering what Oliver Stone is doing making a filmabout Alexander The Great. Colin Farrell ? Huh? Alexander the Great in a wig that looks like the Dana Carvey character in Wayne's World (One and Two.) Unfortunately a lot of this stuff appeals to armchair warriors of all sorts and that's why I wonder why Stoneis doing such a thing at this particular point in time.It takes about 2-3 years to roll out a film. But Angie is my second pick after Laura Harring.
