MAN OF GOD - Eliza Gilkyson
the cowboy came from out of the west with his snakeskin boots
and his bulletproof vest
gang of goons and his big war chest
fortunate son he was doubly
blessed
corporate cronies and the chiefs of staff
bowin' to the image of the golden calf
startin' up wars in the name of god's song
gonna blow us all the way to kingdom come
man of god, man of god that ain't the teachings of a man of god
man of god, man of god that ain't the preachings of a man of god
coalition of the willing and the judgmental
patricians, politicians, and the fundamentalists
you never have to tell them how the money's spent
you never have to tell them where their freedom went
homophobes in the high command waitin' for the rapture like it's
disneyland
hide all the bodies from out of view
channel all the treasure to the chosen few
man of god, man of god that ain't the teachings of a man of god
man of god, man of god that ain't the preachings of a man of god
if I could I surely would stand on the rock where moose stood
look out people now we're gonna get fleeced
by a wolf masquerading as a man of peace
jesus said blessed are the meek
jesus said you gotta turn the other cheek
jesus said help the poor and the weak
if he lived today he'd be a liberal freak
all the money changers would be out on the street
weepin and wailin and gnashin their teeth
me I'm waitin on the reckoning day
when the whole world gonna rise up and say
man of god, man of god that ain't the teachings of a man of god
man of god, man of god that ain't the preachings of a man of god
man of god, man of god that ain't the teachings of a man of god
man of god that ain't the preachings of a man of god
