Hey; nice recomendations. I ask that you keep 'em coming. I am ordering both CD's; we really have to support good music that people our age can listen to without wanting to poke toothpicks in our eardrums.Thanks.We used to have a place called My Fathers Place; the roster of acts reads like a who's who of music. Then they made it assigned seating and advanced ticket sales. Ruined another good thing.Now they are gone. Is Austin City Limits a good venue?
