oh come on now. don't you really think the cable breakin box they are giving away as a door prize is useful?"THE CABLE COOKER™ GREATLY IMPROVES the sound quality of interconnect and speaker cabling beyond normal break-in cycle. ONE DAY on the CABLE COOKER™ is roughly equivalent to more than two weeks of continuous system operation. Rapid, superior break-in and conditioning of all forms of interconnect and speaker cabling." "Retail Value: \$649.00" hahhahhahahahhahhahahahahahaahahaha! hahhahhhaaaaaahaaahaaaa! haaaha ahahaaa!
