Subject: Re: Poisoned Yushchenko? Posted by Manualblock on Wed, 15 Dec 2004 12:56:45 GMT View Forum Message <> Reply to Message

It is an old trick in the slavic countries. You don't poison to kill; you poison just enough to keep the victim around as an example to others that he can be gotten to. And to leave permanent scarring as a warning. Happened in the past many times.
