There are 600 inmates on death row in california. The number of deaths is pretty high statisticlly but what my point was is that even with the lockdown status they still got to them.The news is the news; if it happenend what are you gonna do; not report it? We all have a stake; wait'll the war for Social Security starts, already AARP is gearing up the troops and getting ready for battle. Thats 35 million members already to fight the pIRATES WHO WANT TO STEAL THIS MONEY FROM THE CITIZENS.wALL sTREET HAS BEEN SALIVATING OVER THIS HUGE CASH COW EVER SINCE THE bUSHWACKER WAS ELECTED.Say; are you still with the program on the pre-amp?
