sorry to say, the recent Sumatra quake is only a 'medium-size' loss of life. Here is info on some greater

disasters. <http://mnw.eas.slu.edu/hazards.html> <http://books.guardian.co.uk/firstchapters/story/0,6761,673878,00.html> <http://www.arthurhu.com/index/genocide.htm> http://www.maxeiner-miersch.de/life_on_a_risky_planet_e.htm
