I don't knoow; biggest paycheck; McCartney? Thats the big leagues there.Maybe the highest amount ever paid for three songs.Boy he is looking old. Do we look that way? Or maybe me?I wish they would cut the crap and play ball, Johnny Unitas is rolling in his grave. All this hoopla about half-time and those damn commercials, four hours to play a one hour game. I think they have reached the river of no return on this one.
