Any chance the concept that just maybe they didn't want us to liberate their oil could be a possibility?We need to ressurect the old Country Joe and The Fish song;"Well come on all you big strong men""Uncle Sam needs A Helping Hand""Got Himself in A Terrible Jam""Way down yonder Afghanistan.""And it's One..Two Three""What are We Fightin' For""Don't Ask Me I don't Give A Damn""Next Stop Afghanistan"."And It's Five Six Seven Open Up The Pearly Gates""Well we Ain't Got Time To Wonder Why,""Woopee Were All Gonna Die."
