Any chance the concept that just maybe they didn't want us to liberate their oil could be a possibility? We need to ressurect the old Country Joe and The Fish song; "Well come on all you big strong men" "Uncle Sam needs A Helping Hand" "Got Himself in A Terrible Jam" "Way down yonder Afghanistan." "And it's One.. Two Three" "What are We Fightin' For "Don't Ask Me I don't Give A Damn" "Next Stop Afghanistan". "And It's Five Six Seven Open Up The Pearly Gates" "Well we Ain't Got Time To Wonder Why, ""Woopee Were All Gonna Die."
