No, I think I was bored of guitars and music and tubes and amps and politics and work , and books, and whatever not. I have Fender "Ultra Stratocaster" and two basses, Fender `57 reissue Precision (EMG PU), and "Lado" Custom 5-strings (Bartolini PUs + electronics). Acoustic bass 220 head + 406 bass box (2x15"EVM15L), guitar amps - "Deluxe Reverb" and silverface "Vibrolux", and "Mesa/Boogie" Studio Preamp... Plus whole lot of studio equipment, 8-ch "Adat" based, "Mackie" 16 ch mixer, etc. I have only JBL 4208 "monitors", sold my Genelecs, "Kurzweil" synth, etc. OK - I don't record and play, that's it. Huh, can we finish it now and "pass over" on some other perverse theme?:-)
