Thanks to point it out that "WAR IS PEACE" tactic is so efficient. There are other paroles from the Ministry of Truth: "FREEDOM IS A SLAVERY", "IGNORANCE IS THE POWER"...(All from the book "1984" - there`s MUST ALWAYS be the war, terorism and bombs MUST exist, etc. - interesting book :-)).But, I also "false" believed that Mr. Clinton politics bring peace to ex-Yugoslavia, and Middle-East (Israel), too.Probably we read different newspapers, or so...
