what the hell.By your twisted, Limbaugh-inspired logic we ought to nuke the UK too - after all there are apparently elements of A-Q or their sympathizers there too.The presence of bad guys in Iraq doesn't make the Dauphin Prince any less a traitor and a war criminal, and the people loosing in all this mess are the people who can't afford to go to $5000 a plate repugnican fundraisers.You may be surprised to know that Democratic Senators and Representatives represent more people (numbers of constituents) than do the majority party - one of the sad quirks or the system.
