Of course. Republicans are NOT the unfeeling, arrogant, money grubbing people we are portrayed to be. Of course Mexicans, like all people have wants and desirers, and only a chance to better themselves. There is a world of difference between "legal" and "illegal". And I think America welcomes the "legal" emigrants with open arms. It is emigrants that have built this country and it is emigrants that make it strong. I assure you, Republicans and I are all for "legal" emigration.
