The photo doesn't load. Don't put the knock on my buddy Mr. Vinyl; he's the only one with balls around here. At least he stands up for his beliefs; not like you Krispy Kreme's out there. The countries going to hell in a handbasket and they are studying the business practice of a donut shop. Mr. Donut's are the best anyway; better than Dunkin Donuts.Besides what do you red staters know about food anyway. Ever have a slice of Sicilian out there; tastes like cambells tomato soup and velveeta on a cracker. And don't get me started on Chinese; garden weeds floating in motor oil.Damn; how can you guys eat like that? Cincinatti chili?? Give me a break. I heard the homeless moved out of Ohio because they didn't like the food.
