Hey; look at Bob's post. Thats a good example. If you want to know what I mean that illustrates it quite well. I call it the "Big Bail out"; when they have nothing to say they provoke you then...Bail-out.It happens a lot. So when I saw you asked a question I wanted to know if you were serious or if you would do the Bobby's bail out routine.I did not want to have to spend time writing and posting for nothing so I asked. Good enough for you?I mean; I still think it's a good topic.There has certainly not been anything of consequence said as yet.
