"Big fan", huh? Maybe 20+ years before... I posted about movie "24 hr party people", remember? Huh, there are some mistakes in lyrics (the link I posted), it changes the meaning, the proper last line is:"...take my hand and I'll show you what was - it will be."P.S. Just realized that my friend made those pictures around the dredger, inside the mine-field...he don`t care and isn`t afraid
