I`m dissapointed that in above post you mentioned "liberals" just 8 times, not 10. But, why you are so obsessed with them? (Just rhetorical question, no I don`t want to hear the answer, censorship reasons :-)).Well, politics is a weird business - now cons are complaining about censorship (`cos it`s the popular theme of the "liberals")...Huh...would you stop If I ask you nicely? I know you have a mission, and all of that, but...
