Hi Bob, John's a good guy, even though he does seem to be an extremist politically! What's cool is that there does not seem to be any personal flaming going on here. WE are all still friends. I'd tell your customers not to read the dungeon, in fact, why should they even go to some forum called the DUNGEON, unless they hope to find filth there. I personally find it refreshing that we have an unmoderated forum where we can write whatever cr-p we choose, with little consequence. Good place to vent. For example, now we know that if John EVER came down to the great unwashed midwest/South, NEVER NEVER talk politics with him. -akhilesh
