We were just talking about him last night. Remmember when he pretended to be a country singer down in some hick town in east texas? He gets up on the stage on open mike night and starts singing to all the folks;"Throw all the Jews down the well; Don't let them live anymore", then he gets all the patrons to start singing along... the whole audience is busy singing this kill all the jews song like it was a perfectly normal song. Unbeleivable.What has he been up to?
