Yep, it can suck at times. We are all having a great Christmas here. I've been going crazy getting things for the kids. My wife thinks I'm nuts. Got a few new toys for myself and I'm sipping on a mai ti having diner. Suppose to warm up this weekend around here so although no snow, it will be pleasant. Your country and people there have endured a lot. That was not a good war for the people from the little I know. I wish you the best to you and Family. Have a safe holiday. this thread is too long to wade through anymore. time for a new. Love the drunk russian callender by the way. sent that one to a few friends for giggles.bill
