Gee Damir; you're a good dad. I bet she is the light of your life.Looks like a nice day there; we decide to go sledding here and there are two thousand people waiting on top of the hill to get a turn. We got 22" today so I actually had to go outside and shovel. Now all the ATV's are racing through the schoolyard behind the house. My dog goes crazy when he see's them and barks and chases them all over the field.
