Yeah; now they are saying Carl Rove put in a call to the Worthington's the night of the shooting. Hah? Are they close friend's or something? Oh what a crooked web we weave. My dad says concerning the spin about him creeping up from behind, "Bullshit!". That's from an 83 yr old who has hunted all his life all over the U.S. for every kind of game you can name and who can't be conned.
