Subject: So you play?

For what it's worth I can make a hell of a lot of noise! We had about 80-90 rock songs in our play list. I could only play about 6 of them all the way through now. I haven't played but 10 times in the last 3 years so I've managed to forget all the songs. But a coworker plays acoustic and got me interested again so that's where I'm going.
