Yes sir, Deadwood is rotten to the core. It's enough to turn your stomach some times too. I make the kids go away and I usually dont do that. Have not checked out weeds yet. I'll give it a look. I have to say I've gotten into 6 feet under and we've been watching them from HBO on demand as they go. I think I'm nearing the end of season 3 right now. I could live with a little less of the brother and his boyfriend though.
