Cruising the news stations I stop and hold on each one for a couple minutes to get different perspectives. I was just about to bail out on Fox when she says this;"Today the notorious Abu Ghraib prison was decomisioned and the population moved to a new facility. Abu Ghraib was Saddams most feared prison where many prisoners were held. There were some allegations of prisoners being "Mis-handled" by co-alition forces also."Mis-Handled?? Hows that for spin ehh? Let me see, like John McCain was "mis-handled" by the North Vietnamese?Like Stalin "Mis-Handled" 20 million Russians?Like Attila the Hun mis-Handled the Tartars?Like Pappillon was "Mis-Handled" on Devils Island?? Need I go on?
