"...I always wondered what was really going on in Yugoslavia back then."Well, maybe the ignorance is a good thing sometimes. Just a small example - I posted this picture a month ago, my little family was on sledging. I supressed the fact, if you turn left on this crossroad, after a km or two you`d arrive in the place in woods where 12 people are killed in ambush, `91.Now I`ve said too much. I haven`t said enough.
