Yeah; but not grumbling about it most definately won't change things. The squeaky wheel gets the grease. But the jobs Americans won't do; I see these guys doing landscaping; I've done that. Carprentry; I've done that. Yard Clean-ups; I've done that. What is it they are doing that we won't do? Other than picking strawberries which is shitty work I don't see them doning anything our guys won't do. I think that whole work we won't do schtick is BS.
