None of the cartoons posted were insults directed at you. Dodging and weaving? What do you want me to say? I told you I don't like government intrusions. I don't like seat belt laws. The inference is obvious; I want them repealed. Same goes for a bunch of other things I think are intrusive. Your comments have been insulting. Calling those that don't agree with you "the peanut gallery" is insulting. Saying that I am "dodging and weaving" is insulting. Failing to see that you're rubbing people the wrong way is frustrating. These guys are your friends, John. Do you call all of your friends "the peanut gallery"?
