Actually, I'm pretty hapyy with the amount of taxes we pay. I would like to pay less, but on a local level the services we recieve are outstanding.Within the next couple of years, we will be moving to Wyoming, OH, which has one of the top-ranked school districts in the nation (#12 on list.) and is about 10 miles south of where we currently live. Property taxes will just about double, but it seems like a good investment.....
