Wow; 6k?? Minge'! For that price the deer should volunteer to shoot himself for you.Do they still have safari tours in Africa? I thought they were banned. I know they have exotic game hunts in Texas; I have hunted but I am genuinely puzzled at what the attraction is on a controlled hunt site.I can see maybe with a bow due to the higher difficulty level but with high powered laser sited rifles??? Say; whats the best hunting book you ever read? I like the Bear; by Faulkner.
