Article in the Times today; the People United For The Seperation Of Church and State have filed suit against a bible based marraige counseling group who took 100k$ in federal funding to push their cause for bible based marraige counseling. Now forget about the tax payer what I want to know is how do you do this bible based counseling? In my version of the King James Bible; I don't see much to provide any counseling. In the old testament everyone had ten wives and in the new testament nobody was married.In fact; the only married couple in the New Testament concieved without having conjugal relations. That should provide some good advice right there.
