I'm glad to have this discussion of Nordine. I put his websitebelow which has some audio streams available. Not much on ordering product. "Colors" is available at Amazon.half com has this: http://search.half.ebay.com/ken-nordine_W0QQmZmusicYikes, "Best Of" is $40. Email me on this. I own it already.[looking something else up] Nope, I thought I had a mail addressfor Ken from when I wrote to him a while back... surprised Ican't find it. and also surprised that more of this is not marketed at the Word Jazz site.FYI: Best of is a compilation of "Word Jazz" (a somewhat new mdedium)and "Son Of Word Jazz" (like word jazz, like son).Here's the collectible information:Word JazzDot DLP 3075Son Of Word JazzDot DLP 3096Next!Dot DLP 3196Word jazz Vol. IIDot DLP 3301plusColorsPhilips PHM 200-224alsowiki Ken Nordinehttp://en.wikipedia.org/wiki/Ken_Nordine(I just found this myself while writing)and I think I have a fan site around someplace as well.and check the Rhino catalog.
