I'm glad to have this discussion of Nordine. I put his website below which has some audio streams available. Not much on ordering product. "Colors" is available at Amazon. half.com has this: http://search.half.ebay.com/ken-nordine_W0QQmZmusicYikes, "Best Of" is \$40. Email me on this. I own it already. [looking something else up] Nope, I thought I had a mail address for Ken from when I wrote to him a while back... surprised I can't find it. and also surprised that more of this is not marketed at the Word Jazz site. FYI: Best of is a compilation of "Word Jazz" (a somewhat new medium) and "Son Of Word Jazz" (like word jazz, like son). Here's the collectible information: Word Jazz Dot DLP 3075 Son Of Word Jazz Dot DLP 3096 Next! Dot DLP 3196 Word jazz Vol. II Dot DLP 3301 plus Colors Philips PHM 200-224 also wiki Ken Nordine http://en.wikipedia.org/wiki/Ken_Nordine (I just found this myself while writing) and I think I have a fan site around someplace as well. and check the Rhino catalog. Rhino put out the cd: "Best of Word jazz Volume 1."
